## Section 8 Registration

Housing Choice Vouchers (also known as “Section 8 vouchers”) are a resource for lower income families and individuals that helps make housing more affordable. While the waitlists may take months or years, the pay off makes signing up worth it. Once your voucher becomes available, you can use it to subsidize the rent you would pay for a private rental of your choice. Montana has a state-wide Section 8 waitlist and some cities have their own local waitlists, too!

**Register for state-wide waitlist or check status online!** Go to [housing.mt.gov/S8Apply](https://housing.mt.gov/S8Apply) and scroll to the bottom of the page. There, you’ll see a link for new registration that says, “[Click here to open the application in a new window](#)” and another link to check your waitlist status at [www.waitlistcheck.com](http://www.waitlistcheck.com). (This is only for the MT state waitlist, rather than local waitlists.)
